

About your one-book library card:

Every student in Central Curry School District who does not already have an existing library card has access to a one-book library card from Curry Public Library that allows them to check out one book at a time, and to access e-books and audiobooks free of charge. If students have a book checked out with their one-book card, they will need to return it to the library before they can check out another book. While we do not collect late fees on one-book cards, please call the library to discuss lost or damaged books at 541-247-7246.

How to place a book on hold:

Please call us at the library to place a book on hold at 541-247-7246. We will place the hold for you, and discuss the best way to contact you when the hold arrives so you can pick up the book in our lobby. (When school is in session, students can place holds on their online account at www.currypubliclibrary.org and the book will be delivered to them at school.)

How to access e-books and audiobooks online:

Login to Library2Go:

- From your computer go to: <https://library2go.overdrive.com/> to access Library2Go.
- From your smartphone or tablet, there are two apps to access Library2Go: Libby and Overdrive. Download the Libby or Overdrive App to your device. Both apps work; we recommend using Libby.

- Click “Sign in” or if given the option, select “Sign in with library card.”
- Select your library from the dropdown/search options: select either “Curry Public Library District” or “Oregon Digital Library Consortium” depending on which option you are offered.
- Enter your card number: the entire barcode number from the back of your library card
- Enter your PIN: this is the last 6 digits of your barcode number from the back of your library card.
- If your PIN doesn’t work, or you have any question along the way, call us at 541-247-7246 and we will help you!
